

Tazmanian's mission is to exceed the customer's expectations in every aspect of our business. To accomplish this goal, we are continuously taking the concept of providing time-definite freight services to the next level by:

- ✓ Building strong customer relationship through superior customer service.
- ✓ Using technology to enhance communications.
- ✓ Focusing on meticulous attention to detail.
- ✓ Taking a proactive rather than reactive approach to operations.
- ✓ Providing courteous, reliable and on-time service at an affordable price.
